Create Account

3. Completely fill out the needed information for the parent account. Create a password that you will remember.

Create Parent Account

First Name	<input type="text" value="Thomas"/>
Last Name	<input type="text" value="Smith"/>
Email	<input type="text" value="tsmith@email.com"/>
Desired Username	<input type="text" value="tsmith2000"/>
Password	<input type="password" value="....."/> Strong
Re-enter Password	<input type="password" value="....."/>

Password must: •Be at least 6 characters long

4. Once you have created your parent account, you can link students to your account. You can add up to 7 students to your parent account. This will allow you to check your student(s) grades. Click Enter at the bottom of the page when complete.

The Access ID is your student's student ID number, and the Access Password is your student's Birthday in the MMDDYYYY format. For example, if your student's birthday is December 15, 2001, you would enter 12152001.
